#### **How long will my house purchase take?**

How long it will take from your offer being accepted until you can move into your house will depend on a number of factors. The average process takes between 6-12 weeks. It can be quicker or slower, depending on the parties in the chain. For example, if you are a first-time buyer, purchasing a new build property with a mortgage in principle, it could take weeks. However, if you are buying a leasehold property that requires an extension of the lease, this can take significantly longer, between 3 and 6 months. In such, a situation additional charges would apply.

Our fee assumes that:

- a. this is a standard transaction and that no unforeseen matters arise including for example (but not limited to) a defect in title which requires remedying prior to completion or the preparation of additional documents ancillary to the main transaction
- b. this is the assignment of an existing lease and is not the grant of a new lease
- c. the transaction is concluded in a timely manner and no unforeseen complication arise
- d. all parties to the transaction are co-operative and there is no unreasonable delay from third parties providing documentation
- e. no indemnity policies are required. Additional disbursements may apply if indemnity policies are required.
